A modern bathroom vanity set is displayed in a gallery-like setting. The vanity consists of a white toilet, a dark blue vanity unit with a black countertop and a black faucet, and a matching dark blue cabinet. The vanity is set against a light-colored wall with two dark blue arched mirrors. To the right, a person in a dark blue dress is walking past, blurred. The floor is a light-colored tile with a subtle pattern. Two large abstract paintings are visible on the wall: one on the left with warm tones and one on the right with cooler tones.
