A modern bathroom vanity set is displayed in a gallery-like setting. The vanity consists of a white toilet, a white sink, and a black faucet, all mounted on a dark blue vanity unit. The vanity is set against a light-colored, textured wall with two dark blue, rounded rectangular mirrors. To the right of the vanity is a dark blue cabinet with a black countertop. The floor is a light-colored, textured tile. In the foreground, a person in a blue dress is blurred, suggesting movement. Two large abstract paintings are visible on the wall: one on the left with warm tones and one on the right with cooler tones.
